

APHA Pac Programs

Recreational Riding - Earn PAC credits for non-competitive hours spent riding or driving your Paint, too. Log time spent exploring trails, taking lessons, training your horse and more; submit your time log monthly and they're adapted into PAC credits for your horse's APHA performance record. Work toward year-end and perpetual awards recognition, too!

The screenshot shows a web browser window with the URL https://www.apha.com/about_apha/our-programs/pac/. The page features a navigation menu with links for APHA, MEMBERSHIP, YOUTH, REGISTER, COMPETE, INTERNATIONAL, EDUCATION, NEWS, and FOUNDATION. The main content is titled "Reporting" and includes three sections: "Show Reporting", "Recreational Riding", and "Online Reporting".

Reporting

Show Reporting

- Horses must be enrolled in PAC before Exhibitor Reports can be submitted. Online submission is required. Exhibitor Reports are due within 30 days of the show/event and will not be backdated; for shows taking place after December 15, results are due by January 15 to allow for year-end results processing.
- Show secretaries are no longer required to sign PAC Exhibitor Reports. Show secretary contact information is collected to aid in result audits. Corrections must be made within 90 days of the show/event.
- Please review [PAC Class Categories](#) and [Online Reporting Guide](#) prior to results submission. If you're not sure of the category to use for your results, please email pac@apha.com.

Show Reporting

Recreational Riding

- Time spent riding or driving your PAC-enrolled Paint can be recorded for recognition. Any non-competitive riding/driving activity can be tallied, including trail rides, parades, lessons or practice, fox hunting, clinics and more.
- Recreational Riding Reports must be submitted online each month; December hours are due by January 15 to allow for year-end results processing. All time is figured on a one-horse/one-rider basis and is on the honor system.
